

Pull Down Challenger

Fit in Nature

Art. no.: Z6005-0000-010

Dimensions: 1120 x 725 x 2140mm
Foundation: 1200 x 1000 x 300mm

The pull down challenger is a great fitness device for outdoor use. Its modern design in high-grade stainless steel makes it a real eye-catcher. But beyond its looks, its functionality is impressive too. It works with the user's bodyweight to enable weight training for the upper extremities – strengthening, toning and mobilising the arm, shoulder and back muscles, while neutralising back and abdominal imbalance.
